NUBREEZE

INNOVATIVE. UPLIFTING. FRESH.

A young German Hip-Hop artist pushes the boundaries of what we think a rapper should be.

Rapping behind a drum kit in his 4-piece Jazz Band, hyping up crowds over self-produced beats as a solo act on Hip Hop Festivals, or playing intimate solo shows with nothing but a piano & a mic – every time NuBreeze hits the stage, he is dedicated to creating new paths through music, sound and storytelling.

Staying true to his unique artistic voice, as well as Hip-Hop culture on every step of the way.

WHO IS NUBREEZE ?

The producer, drummer & rapper stands for meaningful lyrics, handmade music, authentic style and the creative fusion of various musical genres and influences infused with a strong personal touch - his own hip-hop fusion from the soul. His performances are a manifesto - A Revolution of Kind through poetry & style.

Solo or together with his band of experienced jazz musicians, they create an unforgettable live experience on and off stage.

TANAJAH

Energetic US-Rapper and Freestyle Virtuoso Tanajah meets NuBreezeProject to create a collective Live-Force!

Tanajah is a hip-hop artist and rapper based in NYC, whose music is best characterized by her ability to convey reflectiveness, self-empowerment, and altogether positive vibes through her lyrical and musical expression.

Not so coincidentally, 'Tanajah' means 'attention' in Hindu, which is probably the best way to describe her live appearance - because when Tanajah steps on stage - she demands your attention.

In 2019, she got nominated for 'Best Female Artist' in 'North Carolina's Music Award'. She has done multiple festival appearances over the years including 'SPOT Festival' in Denmark. Since 2021, she has been signed 2 the Danish record label 'Blikflak'.

Their first collaborative EP has been released in December of 2025 on the Danish Jazz & Hip-Hop Label Blikflak & is available on all streaming platforms.
